- You must take and pass the Preventative Anti-Interrogation Test
- You must not be on a Most Wanted list in your current country of operations, or on INTERPOL's High Alert list

Part 11: Details

1. Do you possess any special training outside of the military?

Ability to Hack private enterprises.
100% percent focus on all work handed to me
Ability to work with others in closed quarters

2. Have you obtained any special education?

[REDACTED]

3. Are you a member of any non-military secret groups (Freemasons, etc.)?

Will not say yes or no to
this question

Part III: Agency - General

1. How and why did you enlist with the Agency?

Enlisted through outside services

Enlisted to help and serve my country
from the evil that is out there

2. What were your experiences as a new recruit? How do they affect your relationships with new recruits today?

My experience as a new recruit was
tough and a challenge but that is what I love
My relationship to new recruits is a teacher

3. What is your opinion of the weapons and/or equipment that you have been provided thus far?

The weapons and equipment have
been a useful tools. I hope to continue
to be on the cutting edge

4. Which, if any, additional weapons and/or equipment would you like to see made available in the future?

I would focus on software such as
Spoot, Burpsuite, and Maltrieve

GREEN LEVEL CLEARANCE TEST
DIV 66
REF #D23298

5. Describe your relationship with HQ:

I was part of the team that
infiltrated [REDACTED], raided
[REDACTED] as well as the [REDACTED]

PAKI IV: Agency - In the Field

1. Describe your first experience in the field, and your reaction to that experience.

After basic training I was given
the job of using past receipts to determine
the correct supplier to contact for heavy
water. This was a learning on job which I welcomed

2. Describe your last active mission, and how your participation actively contributed to the mission's success:

My last mission was one I will not forget
I had to close a rift site and banish
all that had come through. I was head of this operation

3. Have you ever been wounded in the field? If yes, describe the experience, and how you plan to avoid it in the future:

I have been wounded while trying to clear
obstacles for my raid team. It was a
humbling experience and one that will never
happen again.

4. Have you ever lost a fellow agent in the field? If yes, describe the experience, and how you plan to avoid it in the future:

Fortunately, I have never lost an agent
in the field.

5. Describe your preferred methods when dealing with local authorities and/or military personnel. How do you avoid detection and engagement?

My preferred method of avoiding detection and engagement is to use the practice of (CCD) or Camouflage, Concealment and Decoy. I have become an expert in said practice.

6. Describe your most recent experience in information gathering (reconnaissance, hacking, subject interrogation, etc):

For starters I have been an expert in DNS & VHOST mapping all the way to XKeyScore forensics.

Part V: Agency - Green Level

1. Beyond your agency training, what special skills can you offer the agency?

I have training in Computer programming
as well as leading teams through highly
covert operations.

2. Why do you deserve Green Level clearance?

I deserve Green level clearance because
I will bring leadership and experience
to an already high level organization.

I deserve Green level because I will take
us into the future and beyond.
