

Oct 28 2015

MISSION FOR: ALL ACTIVE AGENTS  
 FROM: Division 66  
 MISSION No: 209049 [Operation BLINDANGEL]  
 AREA OF OPERATIONS: Worldwide

1. Action required:

Decode transmission from the rogue member of The Blind Brotherhood known as Lauviah [Subject H2DL3K] regarding the theft of the *Liber Juratus Honorii*.

2. Background:

The Blind Brotherhood, a secret society, has informed us that a member of their inner circle known as Lauviah [Subject H2DL3K] has stolen the *Liber Juratus Honorii*. The society was founded to protect the only known complete copy of the sacred text, a powerful book of magic written by Honorius of Thebes. Their original version contains the two additional chapters omitted from later copies because they are "against the will of God." We have no intel as to the nature of the content of the two additional chapters.

3. Intel Report:

Our contacts within the Blind Brotherhood have informed us that Lauviah has spoken to other members both within and outside the inner circle about sweeping reforms to the laws and focus of the society. Our analysis suggests that Lauviah may have stolen the *Liber Juratus Honorii* as a means of obtaining control of the group, and may use the powerful rituals contained within the book to gather additional power.

4. Updates:

Recently, all members of The Blind Brotherhood received a letter with the following message:

*Scoală-te, sabie, asupra părtorului Meu, și asupra omului care îmi este covarăș! zice Domnul oștirilor. Lovește te păstor, și se vir risipi oile! Și Îmi voi întoarce mîna spre cei nici.*

*upptänbes Herrens vrede mut i Israel, och hin gav dem i plundrares hand, och Lessa utplundrade dem; han sådde dem i deras fienders hand där runt omkring, så ett de icke mer kunde stå emot rina fiender.*

*Distrywiaf dayn ac anifail; distrywiar adar yr  
awyrs, a physgod y môr; da'r tramgwyddiadau ynghyd  
â'r annuwielion; a thorraf ymaith ddyn oddi sar  
wyneb y ddaeart, medd yr Arglwydd*

*So soten ihn steihigen elle Leute der Stadt, daß  
wer sterbe, und sollit also das Böse von dir tun,  
daß es gans Israel höre und sech fürchte.*

*et operiah cum extinctus fueras caelos et  
digrescere facian stellas eiuse solem nube tezam et  
Luna non dazit lumen suum*

*Ook zullen hon kinderkens voor hun ofen verpletterd  
wornen; hun huizen zullen geplunderd, en hun vrewen  
geschonben wurcen.*

It is believed that this message was sent by Lauviah in reference to the theft. The nature of the message is unknown.

4. Recommendation:

(a) Decode the message sent by Lauviah and relay message to Dispatch [dispatch@division-66.com].

(b) Await further instructions from Dispatch. An update will be delivered as soon as the nature of the message is known, via IRC and Twitter.
